User-generated insight on current market dynamics for marketing, product & sales leaders to make confident decisions to improve business

Why Is TechTarget Research Different?

Buyer-generated insight—on current market dynamics that matter most.

Quantitative—measurement of the technical features, business drivers, and competitive sales tactics observed in the field that determine who makes the shortlist, who wins, and who loses.

Facts—first-party data, with analysis, sampled from buyers that are in market now.

Unique Insight on Pre- and Post-Purchase Behavior

About TechTarget

TechTarget (Nasdaq: TTGT) is the global leader in purchase intent-driven marketing and sales services that deliver business impact for enterprise technology companies. By creating abundant, high-quality editorial content across more than 140 highly targeted technology-specific websites, TechTarget attracts and nurtures communities of technology buyers researching their companies' information technology needs. By understanding these buyers' content consumption behaviors, TechTarget creates the purchase intent insights that fuel efficient and effective marketing and sales activities for clients around the world.

TechTarget has offices in Beijing, Boston, London, Munich, Paris, San Francisco, Singapore and Sydney. For more information, visit techtarget.com and follow us on Twitter [@TechTarget](https://twitter.com/TechTarget).
